

3rd Grade Weekly Letter
Room III & 113
Week of November 30th

Important Reminders:

- Wednesday, December 2nd is Spirit Day! Wear your Ridge gear!!
- Don't forget to follow us on Twitter. @rowley_katie @MrsOatesClass
-

Notes to/from the Teacher:

- Students should be doing their Xtra Math, or Math Fact practice on a daily basis. Please help your child remember to do this every night!!!!
- Please check with your child to see if there are any school supplies that need to be replaced. Many students are in need of headphones!
- Many students have been coming to class without their devices fully charged. We use them every day, so please make sure that they are charged!!!!!!
- As the fall weather starts turning cooler, please remember to send your 3rd grader with the appropriate clothing for recess.

Any questions for us????

Student News:

Name: _____

Parent Signature: _____

<p>Literacy:</p> 	<p>Skill: Students are learning to create theories about a character's personality based on his/her words or actions. They are also learning that their theories about characters may need to be revised.</p> <p>Ideas for reading at home: As you're reading with your child, ask him/her to tell you about a character's personality based on his/her actions. As you continue reading, see if the character changes.</p> <p>Writing: During the next few weeks, students will be creating a piece of nonfiction writing!</p>
<p>Math:</p> 	<p>Mrs. Rowley- Students are learning about area by tiling surfaces, counting the number of square units that cover a surface, and using repeated addition or multiplication to determine area.</p> <p>3.MD.6 Measure areas by counting unit squares (square cm, square m, square in, square ft, and improvised units).</p> <p>Mrs. Oates- Students are learning about area by tiling surfaces, counting the number of square units that cover a surface, and using repeated addition to determine area.</p> <p>3.MD.6 Measure areas by counting unit squares (square cm, square m, square in, square ft, and improvised units).</p> <p>3.MD.7 Relate area to the operations of multiplication and addition.</p>
<p>Social Studies:</p> 	<p>We are continuing our unit on <i>economic exchange</i>.</p> <p>This week students will explore the idea of a dream to make their world a better place. Students will make a blueprint of an entrepreneur idea they may have!!!</p>
